

EXPORT PERFORMANCE: HORTICULTURALS

ANNUAL UPDATE 2016

- Exports of horticultural products from Ghana amounted 82 million USD in 2016. This is an increase of +5.2% compared to 2015 (78 million USD).
- The total average annual growth of Ghanaian exports for horticultural products during 2012-2016 reached +11.3%.
- Main export region for the Ghanaian horticultural products is definitely Europe. All of the top 5 destinations are located in Europe. These countries represented almost three quarters of the total export market for Ghana in 2016.
- United Kingdom overtook France as leading destination in 2016. This has to do with the fact that U.K. grew from 12 to almost 20 million USD in export value, while Ghanaian exports to France dropped heavily in 2016 (-45%).
- Out of the top 5, exports to Belgium realized the highest growth (+42%) on average per year from 2012-2016.
